

2021 Cycle 2 Scholarship Application

The Americana Music Academy's (AMA) mission is to teach, promote, and support the advancement of all forms of American roots music and its influences, and to pass on the grand tradition of American based music to future generations. AMA is dedicated to helping those who otherwise would not be able to pursue music instruction. As a part of our mission, AMA awards a limited number of scholarships **based on financial need**. Depending upon the availability of funds, the AMA Scholarship Committee reviews scholarship applications for two funding cycles, February and August. Approved scholarships are awarded for a six-month period for full or partial payment of tuition up to \$100 per month per student.

We need music now more than ever. Scholarship recipients are eligible to apply again at the end of the scholarship period. When reviewing applications, the Scholarship Committee primarily considers the applicant's financial need, the instructor's feedback about the applicant, and the applicant's reasons for taking music lessons. This program is made possible thanks to the generous support of individual donors and foundations, including the Bramlage and Willcoxon Foundation. Completed applications are **due by 5pm, Saturday July 10th, 2021** and can be submitted in person at 1419 Massachusetts St or by email at americanamusicacademy@gmail.com.

*Please note that we cannot consider more than two applicants per family per cycle at this time.
